

Ongoing Lifestyle & Recommendations

- ▶ Don't use the same username and password for everything
- ▶ Change Usernames and Passwords regularly
- ▶ Keep Usernames and Passwords in a secured location
- ▶ Monitor Credit Cards and Credit regularly (FTC, Credit Karma, Lifelock, etc)
- ▶ Stay off of public Wifi when possible (use personal hotspot if possible)
- ▶ Don't share sensitive information via text or email (including pictures)
- ▶ Execute due diligence on Icloud or shared storage servers
- ▶ Less willingness or openness to share information with providers or sales people over the phone or internet
- ▶ Ensure our kids know what information is where, and share what we have learned
- ▶ Think of our business and personal lives in terms of privacy and security more so than ease of delivering information
