

We're your ally against identity theft. Complete fraud support—online and off.

Identity thieves are sophisticated and aggressive. Identity crime is among the fastest growing, most personally disruptive crimes in the U.S. It can happen to anyone, but you can take steps to help yourself from becoming one of these statistics.

- › 4.2 billion newly exposed identity records in 2019, an increase of 16.5% (4iQ Identity Breach Report, 2020)
- › 18.7 billion identity records on the dark web in 2019, an increase of 25.5% (4iQ Identity Breach Report, 2020)
- › Identity theft is the most common consequence of a data breach, occurring 65% of the time (Statista, 2018)
- › 85% of data leaks include emails and passwords (2019 ITProPortal)

What is Identity Crime?

Identity crime encompasses the theft or misplacement of personally identifiable information (PII), the misuse of a person's existing accounts, and the theft of an individual's PII to create new accounts under their name.

Every second
there are two new
identity crime victims.

— Javelin Strategy & Research, 2018

15 BILLION

That's the number, yes with a B, of stolen account logins circulating on the dark web.
(Digital Shadows, 2020)

Solutions to Fit Your Lifestyle

A certified Resolution Specialist is assigned to manage your fraud or identity theft case. So, whether it is a lost wallet or an identity theft event, assistance is just a phone call away. Plus, Online Identity Vault™ eliminates paper trails and reduces the risk of fraud and identity theft.

Dark Web Monitoring

Daily scans for your credit and non-credit information in black market chat rooms that sell identifying information. Receive alerts once any of your scanned information is found.

Credit Monitoring

Get notified when any changes appear in your credit file with 1- or 3-bureau credit monitoring. You can keep a constant eye on any changes to your credit.

Also available: quarterly credit scores and public records monitoring.

Enrollment is easy. Just follow these steps:

- › Visit <https://deluxeprovent.ezshield.com> to view the various options.
- › When you are ready to enroll, enter your financial institution's Routing/Transit Number (9 digit number found in the lower left corner on your checks).
- › You'll be taken through the steps for enrolling and activating your membership.
