

# IDENTITY THEFT IS NOT JUST INCONVENIENT, IT'S DISABLING.

**ID Protect Plus from Deluxe Provent<sup>®</sup>**  
helps protect you and your financial  
reputation – before it's too late.

In 2014, over 25% of U.S. consumers were notified that their personally identifiable information (PII) had been compromised in a data breach — over 2.5 times more than in 2013. In that same year we saw 12.7 million fraud victims.<sup>1</sup>

That's why your financial institution and Deluxe have teamed up to bring you **Deluxe Provent ID Protect Plus<sup>SM</sup>**.

This powerful service provides:

- Monitoring to scan the Internet's black market chat rooms for your personal and credit information.
- An online vault to store sensitive information with top level data security, with 24/7 online customer access.
- A certified Resolution Specialist to manage your fraud or identity theft case.
- Daily credit monitoring and alerts to notify you of activities associated with your credit file.

**IMPORTANT: Once enrolled, you can expect to receive an initial welcome communication directly from the program office.** This communication will provide you with important information regarding your service, including instructions for activating Internet Monitoring.

We also offer you a full suite of service options that address the entire spectrum of identity fraud sources. You choose the identity and fraud protection services you want, and only pay for what is important to you.
